PERSONAL INFORMATION

Name	Dev Dantani	**Phone**	+91 8200028626
Location	Nava Vadaj, Ahmedabad, Gujarat	**Email**	devdantani243@gmail.com

OBJECTIVE

Motivated BCA student with a strong foundation in HTML, CSS, JavaScript and React, currently training in Full Stack Development at TOPS Technologies. I am keen to build clean, user-friendly and well-structured web applications, and I am learning backend development with Python and Django to grow into a complete Full Stack Developer. Seeking an internship or entry-level opportunity where I can apply my skills to real projects, learn from experienced professionals, and contribute to the team with discipline, curiosity and a strong willingness to learn.

ACADEMIC PERFORMANCE

Qualification	Institute / School & Board	Year	Result
BCA (Semester 1)	President Institute of Computer Application	2029 (expected)	Pursuing
Full Stack Development Training	TOPS Technologies	2025 – Present	Ongoing
Class XII	Navjyot Higher Secondary School — GSEB	2024	59.67%

SKILLS

Frontend	HTML (Strong), CSS (Strong), JavaScript (Good), React (Good)
Programming	Python (Good), C (Good), C++ (Basic)
Backend	Django (Currently Learning)
Database	SQL (Basic)
Tools	GitHub (version control and code hosting)
Soft Skills	Communication, Problem Solving, Teamwork, Time Management, Quick Learner

EXPERIENCE

Fresher — no formal work experience yet.

- Currently undergoing Full Stack Development training at TOPS Technologies (since 13 Dec 2025).
- Learning frontend and backend concepts through structured classes and regular hands-on coding practice.
- Practising web development and programming regularly to build job-ready skills.

PROJECTS

Coffee Shop Website (Frontend) — React, JavaScript, HTML, CSS

- Designed and developed the complete frontend of a coffee shop website using React as part of my Full Stack Development training.
- Built the interface with a component-based structure, keeping the code organised, reusable and easy to maintain.
- Applied HTML and CSS for clean layout and styling, and JavaScript for interactivity on the pages.
- Gained hands-on practice with React fundamentals and managing the project with GitHub.

CERTIFICATIONS

- **Full Stack Development Training** — TOPS Technologies (Ongoing, started 13 Dec 2025)
- Covers frontend development (HTML, CSS, JavaScript, React) and backend development with Python and Django.

ACHIEVEMENTS

- Completed Class XII (GSEB) with 59.67% and enrolled in BCA (2026–2029).
- Enrolled in a Full Stack Development program at TOPS Technologies alongside my BCA studies.
- Developed a React-based coffee shop website frontend as a hands-on training project.

INTERESTS

Learning web development, exploring new technologies and tools, building small projects, and practising programming to improve problem-solving skills.
